Remember Those Who Have Died

Liturgy of the Hours: Solemnity Reflection on the Gospel

We are obligated to consider the welfare of all people—especially those who live on the margins of society. In his ministry, Christ showed a special concern for the overlooked and ostracized members of society even when doing so threatened social norms. Do we hold our leaders to these standards of compassion and inclusion? While we strive to put our faith in Christ who is our ultimate leader and guide, we can also determine the legitimacy of our earthly leaders by noting how closely they follow the example of the Good Shepherd.
