**Liturgy of the Hours: Week II of the Psalter
Reflection on the Gospel**

God’s luminous love not only transforms; it transfigures, endures even beyond death, and is not disproved by death, as today’s gospel shows. The account offers a glimpse of the fullness of God’s transfiguring love as Jesus continues to choose faithfulness to the divine mission, even though it will lead to his death. By listening to and following Jesus, we share in his transfiguration, a transformation that begins in this life and will come to fullness for us in the life that awaits us beyond our own death.
