Liturgy of the Hours: Of the Solemnity

Liturgy of the Hours: Week I the Psalter

Reflection on the Gospel

Today’s gospel shows us two people with status and resources leaving their accustomed social circles and reaching out to an itinerant healer. In desperation, both cast off their last bit of reserve, risking trust in Jesus. God’s power to heal flows freely through Jesus into the bodies of these hurting women. The gospel healings are dramatic enactments of God’s will for life to the full for all, as the first reading asserts. God does not rejoice in death; rather, God formed humankind to be imperishable.
