Reflection on the Gospel

Jesus couldn't do any mighty deeds in his hometown because of his own people's limited expectations. Thinking they knew Jesus inside and out, they prevented God's power from working through him. This is a version of "tall poppy syndrome," where an individual leader is prevented from within a group, which takes a "Who do they think they are?" attitude, while an outside "expert" with the same ideas or gifts would be taken far more seriously. Perceptions and expectations, opposition and close-mindedness can squelch the flow of the Spirit.

ANNUAL CATHOLIC APPEAL 2024

Communion, Participation & Mission

St. Edmund Parish Goal \$31,022

Once we exceed our goal we will then receive 100% of all funds raised above this figure directly back to our parish.

The contributions you make to the Annual Catholic Appeal enable a range of impactful work and services that benefit individuals and families in Brooklyn and Queens surpassing what any single parish can achieve alone. Let us fervently pray for the success of the 2024 Annual Catholic Appeal, envisioning a triumph that not only enables to extend love to those in need but also unites our hearts in Communion, Participation and Mission.
