Liturgy of the Hours: Week I the Psalter
Reflection on the Gospel**

Today’s gospel might be read as a call to take extraordinary actions to relieve the hunger in our world. Efforts can begin with one courageous person willing to relinquish just a bit of their resources to others and to trust that in God’s hands, there will be enough for all. Jesus reorients his disciples away from the inscrutable problem of scarcity and instead gives thanks for the abundance of God’s provision. The resources to feed all, and for all to be satisfied, lie within the community.
